

KOOGATM
MADE FOR RUGBY

2017

There is a global sport with a different ball and a very different set of values and that sport is rugby. The game is tough, played with no holds barred. The players share a mutual respect for each other and for the game and they command the affection of their fans and outsiders alike. Yes, rugby is indeed a different ball game and Kooga is a different brand.

We are a brand made for rugby, an authentic brand with a true heritage and history, a brand that upholds the values of rugby and enhances the performance of players at their physical peak. We are a brand that understands the needs of our players, always evolving and adapting to the changes in rugby - we are the rugby professionals.

URUGUAY

BLITZ 2 // 31601

SIZES 6 - 14
COLOURWAY BLACK / RED, BLACK / FLUO LIME

- New model using Kooga's exclusively developed EVX+ material which is lighter, softer and more flexible while maintaining its strength, breathability and durability
- This model utilises a one piece upper with a high visibility block graphic print
- Single rows of quarter stitching aid anti-stretch properties
- Quality PU internal linings offer smooth, blister free use
- One piece lightweight neoprene tongue for ultimate comfort
- High density fabric covered performance sockliner
- Strong internal moulded heel counter offers optimum support
- The single colour injected 8 stud Venom outsole with aluminium rugby studs gives optimal grip and traction on soft, muddy pitches
- Venom outsole is stitched and riveted for extra security
- Black and coloured laces supplied

WARRIOR 2 // 31602

SIZES 6 - 14
COLOURWAY BLACK / FLUO ORANGE, WHITE / BLUE

- Top quality grained and waxy PU upper in single piece construction
- Weld embossed and graphic print to quarters with bold Kooga branding for high visibility
- Multi row double stitching to vamp for increased anti-stretch function
- Quality PU internal linings offer smooth, blister free use
- Single structure lightweight tongue for comfort
- High density fabric covered performance sockliner
- Internal moulded heel counter offers optimum support
- This model features Kooga's Sting 8 stud outsole in a double colour injection specially developed for Kooga rugby
- Black and coloured laces supplied

The Sting outsole is lightweight and flexible while giving optimal grip and traction on soft, muddy pitches. It has additional flex grooves in the forefoot to aid flexibility and 2 biomechanical ISO Support Bars in the second colour in the shank area to enhance midfoot torsional rigidity and support. Additional second colour stud support platforms also aid foot stability. The outsole is stitched and riveted for extra security.
